

The Power of Giving.

The Impact of Our Generous Community

CalvertHealth has continued to innovate while addressing growing and diverse healthcare needs. This would not be possible without the philanthropic spirit and advocacy of the community.

At CalvertHealth, our vision is to be the trusted healthcare leader, delivering a lifetime of care to our community. Every day, this vision comes to life through the generosity of those who believe in our mission. Your support makes a lasting impact—enhancing patient care, advancing technology, expanding access to critical services, and ensuring that our community has the best possible health care, close to home.

We are deeply grateful for the individuals, families, businesses and organizations who have partnered with us in 2024 through their philanthropy. Their generosity strengthens the future of health care in our community and touches the lives of countless patients and families.

CalvertHealth's 2024 fundraising events were a resounding success! The Benefit Golf Classic on May 13 at The Cannon Club raised a record-breaking \$111,000 to support the growth of our Digestive Diseases and Weight Management program. Later in the year, the Breast Cancer 5K Run/Walk on October 19 brought together 1,037 participants on Solomons Island, generating \$180,000 in support of breast cancer care. Both events showcased the incredible generosity and commitment of our community to advancing healthcare at CalvertHealth!

The CalvertHealth Foundation sincerely thanks the Next Step Charitable Trust for their unwavering support of CalvertHealth Medical Center's cancer care program. In December, they presented a generous gift of \$40,246.02 from the 13th annual Pink & Blue Memorial Golf Classic at The Cannon Club, benefiting the Cancer Center's clinical trials program. Since its inception, this meaningful event has contributed an incredible \$365,041 to advancing cancer care at CalvertHealth.

Thank you to the members of our community who volunteered their time to serve on the CalvertHealth Foundation Board of Trustees in 2024:

- Frank Smith, *Chair*
- Barry Friedman, *Vice Chair*
- Marianne Harms, *Second Vice Chair*
- Denise Bowman, *Immediate Past President*

On June 30, 2024, the CalvertHealth Foundation proudly celebrated the successful completion of the United We Thrive: Transforming Cancer Care in Calvert County campaign, which raised an extraordinary \$6,148,838.55—the largest fundraising effort in the Foundation's 35-year history. These funds have supported advancements in robotic surgery, a cancer care endowment, MRI technology, and CalvertHealth's continued affiliation with Duke Health. Thanks to the generosity of campaign supporters, CalvertHealth purchased its first-ever da Vinci Surgical Robot, launching the surgical robotics program in March 2024. The medical center surgical waiting area was named in honor of Marianne Harms, chair of the Cancer Care Campaign, 2024 foundation board member, and faithful advisor, supporter and friend of the CalvertHealth Foundation.
